

PRESS RELEASE ANNOUNCING A PROPOSED PROPERTY TAX INCREASE

The City of Ringgold Mayor and Council today announces its intention to increase the property taxes it will levy this year by 1.27 percent.

Each year, the board of tax assessors is required to review the assessed value for property tax purposes of taxable property in the city. When the trend of prices on properties that have recently sold in the city indicate there has been an increase in the fair market value of any specific property, the board of tax assessors is required by law to re-determine the value of such property and adjust the assessment. This is called a reassessment.

When the total digest of taxable property is prepared, Georgia law requires that a rollback millage rate must be computed that will produce the same total revenue on the current year's digest that last year's millage rate would have produced had no reassessments occurred.

The budget tentatively adopted by the City of Ringgold Mayor and Council requires a millage rate higher than the rollback millage rate, therefore, before the City of Ringgold Mayor and Council may finalize the tentative budget and set a final millage rate, Georgia law requires three public hearings to be held to allow the public an opportunity to express their opinions on the increase.

All concerned citizens are invited to the public hearings on this tax increase to be held at the Ringgold City Hall, 150 Tennessee Street, Ringgold, Georgia on July 31, 2019 at 11:00 AM and 6:00 PM and on August 7, 2019 at 5:30 PM.
