Subject: Extension of Regional Agreement Time  
Between City of Ringgold and City of Chattanooga

Dear Mr. Wright:

The City of Chattanooga is in agreement with the City of Ringgold's request to extend its regional agreement time from 20 years to 30 years. This will necessitate an amendment to the current contract.

This request is made to accommodate the City of Ringgold's need to fund its new pump station and force main over a period that will extend beyond the length of the current agreement. This extension is needed to satisfy the City of Ringgold's funding agency concerns about the length of the agreement.

The City of Chattanooga will prepare an amendment to the Regional Agreement for the City of Ringgold' review and concurrence. This will require Council action by both City Councils. This can be accomplished within the next 30days

Please advise if further information is needed.

Sincerely,

Steve Leach  
Administrator of Public Works
