As Owner/Agent of property located at _____ I acknowledge that I am aware that within the City of Ringgold owner/agents are responsible for the water drainage on their property. A Site Plan showing drainage is shown above. Owner/Agent is solely responsible for verification of property lines, set back distance and utility easement locations. The city or county will not be held responsible for property lines or building lines not surveyed correctly.

Owner/Agent must obtain a Dig Permit from the Ga. UPC prior to construction.
