## **PUBLIC NOTICE OF PUBLIC MEETING** **City of Ringgold – Poplar Springs Road Water Treatment Facility and** **Transmission Line Project**

The City of Ringgold will hold a public meeting to discuss the proposed Poplar Springs Road Water Treatment Facility and Transmission Line project. The purpose of this meeting is to inform citizens of the project scope, funding sources, and potential environmental impacts, and to solicit public comments.

### **Project Description:**

The project includes construction of a new water treatment facility and approximately 4,000 linear feet of 24-inch and 12-inch ductile iron transmission line along Poplar Springs Road and Alabama Highway. The improvements will increase system reliability, treatment capacity, and water quality for City of Ringgold customers.

The meeting will provide an overview of the **Environmental Information Document (EID)** prepared for this project and allow for public comment as required by the Georgia Environmental Protection Division (EPD) as part of the Notice of No Significant Impact (NONSI) review process.

### **Public Meeting Details:**

**Date:** December 5, 2025

**Time:** 2:00 PM

**Location:** City of Ringgold City Hall, 150 Tennessee Street, Ringgold, Georgia 30736

Written comments will be accepted through the date of the public meeting and may be submitted to:

City of Ringgold  
Attn: Mark Vaughn, City Manager  
150 Tennessee Street  
Ringgold, Georgia 30736  
Email: [citymanager@cityofringgoldga.gov](mailto:citymanager@cityofringgoldga.gov)

All comments received will become part of the public record submitted to the Georgia Environmental Protection Division for review.
